

Notice to end tenancy at, 20-1955 Cedar Village Cres, North Vancouver

Dear Azita Muhibali

Hello There,

As I already discussed with you, I need to have my condo evacuated by April 30, 2023. I have given you several notices and tried to understand your condition, but I can **NOT** extend your stay anymore.

I wish you the best, but it has to happen in another address.

Best Regards,

March 24, 2023
